Telethon Thank You's to Those Who Have Been "True to Their Calling"

Following the first week of calling for the 1999 Student Scholarship Telethon, the Office of Advancement would like to express gratitude for the many volunteer phoners who have given of their time on behalf of student scholarships.

Although a complete list of volunteers and contributing businesses will be noted in the March ADVANCE, below appears a listing of daily prize-winning phoners. You may enjoy viewing daily webcasts on each evening's totals and festivities on our 1999 Student Scholarship Telethon Web site. A link for these pages is located on the main page at www.greenville.edu. Additionally, donors may pledge or give from this site through the e-Source GC online giving form.

Calling continues this week on Tuesday and Thursday with possible time slots available for phoners on Monday of next week. If you are interested in participating, contact Travis Klopfenstein at 618.664.2800 x4533.
