

**Program:** Ministry

**Mission Statement:** The ministry major prepares students for the adventure of ministry by providing a collaborative model of education through classroom instruction, church participation, and community engagement that cultivates a theological imagination.

**Program/Major Objectives:**

*At the close of their degree, ministry students should be able to:*

1. Demonstrate knowledge of basic Christian doctrine.
2. Display an understanding of the nature, development, and diversity of the Christian theological tradition, and a willingness to reflect critically on one's own theological orientation and worldview.
3. Exhibit familiarity with the history, context, and interpretation of Christian Scripture, and demonstrate an understanding of Scripture's significance for Christian life.
4. Display theological imagination and relational intelligence in ministry practice.
5. Develop and practice a distinctive model for ministry.
