

Curriculum Map: Biology (rev. June 2017)

The Biology Department has mapped our entire curriculum in an attempt to match the newly developed program objectives with the biology major (implemented in 2015).

Program: Biology

Program Learning Objectives	Courses / Learning Opportunities													
	110	112	215	245	305	314	315	302	333	340	345	360	370	410
1.1	I			D	D								M	
1.2		I							M	D		M		
2.1		I											D	M
2.2	I			I	D	M	M							M
2.3	I					D		D						M
2.4	This learning objective is met through advising our majors													
3.1					I			D						M
3.2		I			D		M							
3.3		I									D		M	
Key: I = Introduced, D = Developed, M = Mastered
