SALT Registration Requirement

College can be an expensive investment in your future, which is why Greenville College has chosen to reinvest in your financial success by partnering with SALT.

Students who choose to take on loans as a way to pay for college are required to sign up with SALT, a membership program that helps students and families navigate financing a higher education, manage resulting debt, and build money skills for life.

Greenville College has paid the membership fees for you!

1. Register for your SALT Membership by going to saltmoney.org/Greenville;
2. Create your SALT Account by entering your First Name, Last Name, Email, create a Password, enter your Birth Year, Current School (“Greenville College” should already be filled in), and estimated graduation year.
3. Check the 2nd check box to agree to the Terms and Privacy Policy
4. Click the green Sign Up button.

MEMBERSHIP INCLUDES:

• A personalized dashboard at saltmoney.org where you can track all of your federal and private student loans in one place and compare payment options.

• Advocacy and assistance with resolving complex student loan related problems once your loan is in repayment.

• Meaningful benefits to help you now and in the future. Benefits such as help searching for internships and scholarship opportunities or assistance you may need once you have completed your program of study, like searching for jobs.

If you have questions about the membership program or your award, please feel free to contact us at 618-664-7108 or finaid@greenville.edu.
